MEDIA TENOR

Bonn London Lugano New York Ostrava Pretoria St. Petersburg Windhoek Zurich

Media Tenor is the leading international media research and consulting company currently looking to expand its team of media analysts. The work focuses on up-to-date analysis of international mainstream media for our projects and independent research. Applicants should be able to commit themselves to a weekly schedule of 15 to 30 hours (depending on one's capacity) for at least six months. Work permit for required hours is a must.

Description of the project:

For our current project Media Tenor seeks Analysts with excellent language skills to analyse the content of international print- and TV- media as well as radio news broadcasts in order to contribute to an international analysis of the presentation of religion and intercultural communication via the media. The work will be done in our office in Bonn/Remagen.

Skills required:

Media Tenor is looking for Analysts having a good command of the following languages: Arabic, Bengali, Danish, Dutch, Farsi, Hebrew, Indonesian, Malay, Portuguese, Russian, Urdu, Swedish, Swahili, Turkish

Furthermore the applicant requires:

- Analytical thinking
- Interest in journalism, mass media, international and domestic affairs
- Interest in the issues religion and culture
- Computer skills
- Personal engagement

What we offer:

- Personal development
- Flexible working time
- Long term employment
- International working environment
- Great team spirit
- Unique scientific approach

Payment:

The employee will be paid on a monthly basis depending on the Analysts' speed and skill. According to our experience the monthly salary ranges up to 1500.
